CASE NO. 3:10-1079

JUDGE TRAUGER/KNOWLES

be granted. Docket No. 11. Despite being given appropriate notice (Docket No. 11, p. 2-3), Plaintiff failed to file written Objections to the Recommendation.

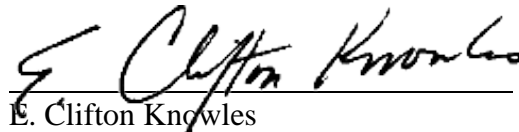

On March 21, 2012, Judge Trauger entered an Order noting that Plaintiff had not filed Objections, accepting the Report and Recommendation, and ordering that the case be dismissed for failure to state a claim upon which relief could be granted. Docket No. 14.

More than two months later, on May 29, 2012, Plaintiff filed the instant Motion.

Plaintiff provides no authority for the filing of the instant Motion. Plaintiff sets forth no facts that would support a “Reopening” of this case.

For the foregoing reasons, the undersigned recommends that the instant “Motion to Reopen the Case” (Docket No. 23) be DENIED.

Under Rule 72(b) of the Federal Rules of Civil Procedure, any party has fourteen (14) days after service of this Report and Recommendation in which to file any written objections to this Recommendation with the District Court. Any party opposing said objections shall have fourteen (14) days after service of any objections filed to this Report in which to file any response to said objections. Failure to file specific objections within fourteen (14) days of service of this Report and Recommendation can constitute a waiver of further appeal of this Recommendation. *See Thomas v. Arn*, 474 U.S. 140, 106 S.Ct. 466, 88 L. Ed. 2d 435 (1985), *reh’g denied*, 474 U.S. 1111 (1986); 28 U.S.C. § 636(b)(1); Fed. R. Civ. P. 72.

E. Clifton Knowles
United States Magistrate Judge
